Paris in France & Berlin in Germany

From 9 to 15 June: optional week of intensive French classes and cultural immersion in France, Paris. From 16 to 21 June: mandatory week in Paris, France. From 22 to 27 June: mandatory week in Berlin, Germany

This summer program is designed for students who want to discover the possibilities to become a future entrepreneur and to explore start-up thinking and start-up acting. The summer program illustrates that entrepreneurs nowadays need to act in a sustainable and culturally sensitive way. It indicates that entrepreneurs need a creative and cultural surrounding to develop their start-ups. Therefore, participants stay the first week in Paris and the second week in Berlin, two leading start-up hubs in Europe.

# GOAL / OF THIS PROGRAM

 $\label{eq:experience} \mbox{ Experience the creative and cultural eco-systems of Paris and Berlin.}$ 

Approach in a practice-based manner start-ups in Paris and Berlin.

In teams, develop their own creative business projects.

The 2 weeks summer program comprises 8 ECTS (60 hours class-contact plus selfstudies). The optional first week of French course consists of 4 ECTS (30 hours classcontact plus self-studies).

# THE CO /É/

You will explore the French and German culture & arts in Paris and in berlin. You will also develop your creativity and your team working skills in a multicultural environment.

# THE PEDAGOGICAL APP OACH

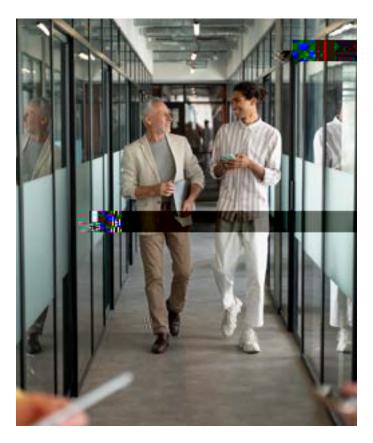

Take the opportunity to experience the unique transdisciplinary pedagogical method from ICN Business School. The pedagogical approach objective is to challenge students and help them develop creative and critical thinking skills.

# VISIT OF B INE
